Facility News

- **COVID-19 Update:** Just a reminder parents to please ring the doorbell to notify a staff member you are here, then enter the building. Wash your hands and your children's hands with hand sanitizer, then a staff member will take your children to their classroom. Please remember to clock your children in and out at the kiosk. If you do not have an active code for our check in stand, let your director know. At pick up please follow the same steps. Please do not enter the classrooms.
- **Temperature checks:** We will still be doing Temp checks at drop off. If **100.0** or higher, your child will be required to stay home. We ask all our families to try to social distance to reduce the chance of germs being spread at daycare.
- **Please remember our Extended Illness Policy is still in effect.** If your child or ANY member of the home is ill, your child will need to remain home until they have been symptom free for 72 hours with no Tylenol assistance.
- **Picture Day:** is 10/22 and 10/23. If your child has a sibling, we will be able to do siblings pictures as well. Please remember to bring extra clothes if you are not wanting your child to wear their picture outfit on for the day.
- **Halloween Party:** On 10/30 we are having classroom Halloween parties for each classroom. If you would like to bring something for your child's classroom, we will have sign up sheets on what to bring for each classroom.

We are extremely excited for all the pumpkins that have grown in our first pumpkin patch this year and the kiddos loved picking out their own pumpkins. We cannot wait for the second pumpkin patch to grow for this fall. They are getting so big!
