

The Value in Tuition Cost at Kangaroo Clubhouse: 2019

At Kangaroo Clubhouse, we want your family's child care experience to be the best. We hope to add happiness, learning, fun, and ease to your family's daily lives.

Below are some added benefits that makes us stand out as one of the top-rated child care and preschool facilities in the Treasure Valley.

Real-Time Remote Access To Classroom Cameras

Log in any time of day that your child is attending to see what class activity they are engaged in!

Families will now have access to log in on any PC or smart phone to view their child's class through the camera system during the times their child is in class.

Research Based Early-Learning Curriculum

Our in-house curriculum was designed and developed by an early elementary education graduate. IT is aligned with the state of Idaho's Early Learning Guidelines. You can be confident your child is learning the foundational skills that will help him or her thrive and that are developmentally-appropriate for his or her age.

Skills children will learn: social-emotional, physical & motor, language & literacy, math & reasoning, science, social studies, creative arts, second language.

Core teaching tools include: letters & phonics, concepts of print & reading comprehension, communication and vocabulary, emergent writing, counting & numbers concepts, reasoning & logic, music & movement, STEAM stations & experiments, and creative thinking & artistic expression.

"Roo's Brews" Family Coffee Bar

Coffee and tea will be provided every morning until 10 am to help you start your day!

So "hop" by the coffee bar for a fresh cup to-go!

Healthy Snacks and Family Style Homemade Meals

Daily snack and meals are prepared fresh every day by each location's on-site cook. We offer healthy snacks and homemade family style dining.

Family style dining expands fine motor skills as children serve themselves, learn to hold flatware, and pour their own beverages. Children learn cooperation and social skills as they practice patience by sharing, passing platters, taking turns and using manners.

Before and After School Transportation

We provide transportation from the center to your child's school and transport after school back to our center. Please check with your center director that your child's school is on our transportation route.

Center Security

Your child's safety and security are a top priority that we take very seriously. We have equipped our centers with the following security measures for your child's safety and your peace of mind.

Security systems, keyless front door entry pads, biometric fingerprint ID check in/out stations, and cameras in every classroom that are accessible to families via the Watch Me Grow app.

Procure Touch

Keyless Entry System

Interior Door Controller

Parent "Date Night"

Every other month, we provide care for parent date night for free.

Parent date nights are on the 3rd Friday each month 7-10:30 pm.

Every other month is free! Opposite months are just \$10/child or \$25/family.
