After School Care Past 4:30 pm	\$5.00 / hour

ABOUT THE PROGRAM

We are very excited to offer a private kindergarten program. This is a full-day, 5 day/week program from 7:30 am - 4:30 pm, with school from 8:30 am - 2:30 pm. There is a part-time option for your child's current A/B Kindergarten schedule. With a full-day program and limited class size of 15 students, your child will be well-prepared to enter elementary school. This program is at our 16281 N Franklin Blvd. location in Nampa, ID. We hope to expand this program to other locations in the future.

ABOUT THE TEACHER

Mrs. Warren graduated from Corban University in 2013 with a bachelor's degree in early elementary education and taught prekindergarten in Washington for five years before moving to Idaho. While teaching prekindergarten, her classroom became NAEYC and QRIS certified. Kangaroo Clubhouse is currently working towards NAEYC certification. Mrs. Warren has been with us since we introduced our private kindergarten program in August 2018.

ABOUT THE CURRICULUM

The Creative Curriculum® for Kindergarten is a research-based, whole-child-focused approach to project-based learning in the kindergarten classroom. Through in-depth investigations of science and social studies topics that integrate literacy and mathematics concepts, kindergarten teachers can encourage children to think critically, solve problem, and connect ideas. Learn more about our curriculum at <https://teachingstrategies.com/solutions/teach/kindergarten/>

There are **38 research-based objectives** at the heart of the curriculum and they define the path teachers will take with the children in the classroom. They inform every aspect of teaching, include predictors of school success, and are aligned with state early learning guidelines and the Head Start Early Learning Outcomes Framework. The objectives cover 10 areas of development and learning.

1. Social-Emotional
 - a. Regulates own emotions and behaviors
 - b. Establishes and sustains positive relationships
 - c. Participates cooperatively and constructively in group situations
2. Physical
 - a. Demonstrates traveling skills
